# CHRISTMAS GIVING MACHINE

The Spiers Centre has entered to help give the gift of hope to those in need this Christmas. The giving machine is located in the middle foyer of Lakeside Joondalup shopping centre. It is just like a vending machine, but instead of snacks, you can donate to various charities, including TSC, and change somebody's Christmas for as little as \$5. Check it out!

## 2023 AGM & SUNDOWNER

The 2023 Annual General Meeting was held last month at TSC Heathridge. This coincided with the release of our new annual report, which you can find on our website! After the AGM concluded, the board and members of staff enjoyed a Sundowner, fit with cheese board and good times!

## INTERNS & VOLUNTEERS

Over the course of November and December, we have had a few student interns working at the centre. UWA students Will (left) and Ryan (right) have been working hard at developing a volunteer program, digital content, events and marketing.

Meanwhile, Cass took on a Neighbourhood Centre role for TAFE placement, assisting with group participation, children's services support, assisting clients with emergency relief and helping with the pick up and management of donations.

We are also currently seeking volunteers for the centre. We have openings for group facilitators, events/activities officers, reception assistance, gardening, flyer delivery + much more.

Contact us if interested!

**THANKS FOR READING! HAVE A LOVELY CHRISTMAS AND NEW YEAR!**
